THE VENUE

The BC Sports Hall of Fame's unique design and ideal downtown location makes it the perfect spot for your next event. The colourful galleries provide a dynamic background for a variety of functions, such as press conferences, receptions, cocktail and holiday parties, product launches, board meetings, team building, and special occasions.

Booking space with the BC Sports Hall of Fame also means you're directly helping support the Hero in You Youth Education program that works to inspire youth from all backgrounds to set and achieve meaningful personal goals.

BC SPORTS HALL OF FAME

The BC Sports Hall of Fame celebrates extraordinary achievement in BC sport history and inspires future generations to make their dreams come true. Each year, a diverse audience of visitors from around the globe are educated and enthralled by the collection of 27,000 artifacts representing 150-years of sporting accomplishments in British Columbia. We take pride in the responsibility we have to tell engaging stories of the individuals, teams and organizations who have made sport achievement such an important part of the fabric of life, culture and history in the province of BC.

HALL OF CHAMPIONS

A multi-purpose, open space that honours the inductees of the BC Sports Hall of Fame and their achievements through artifacts and a wall gallery. The space includes a new touchscreen interactive where you can browse through photos, listen and watch videos, and read all about the inspiring stories of each individual and team.

VANCOUVER 2010 OLYMPIC GALLERY

This is a chance to relive and bring the excitement of the 2010 Vancouver Winter Games to your event. Highlights include a real medal ceremonies team podium, a 2010 Olympic torch signed by the Opening and Ceremonies bearers, Olympic and Paralympic medals, Roberto Luongo's Olympic goaltending mask (replica), and priceless artifacts from athletes across the world.

FULL VENUE

Experience the iconic moments of sport in BC through the Hall of Champions and Vancouver 2010 Olympic Gallery as well as the rest of the facility.
